The results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle for which this information is supplied. Vehicles are not individually tested, and there are inevitably differences between individual vehicles of the same model. In addition, the vehicle may incorporate particular modifications that affect its fuel consumption. Furthermore, the driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance will all affect its fuel consumption. Information as to the results of the officially approved tests on all vehicles tested is available to customers on the premises where these vehicles are displayed.
