

# ALL-NEW RANGE ROVER SPORT

## ACCESSORIES

## EXTERIOR

### **Stainless Steel Undershields**

Off-road styled front and rear undershields. Manufactured from stainless steel with a Bright polished finish.

### **Mirror Caps – Noble Chrome**

Noble plated mirror caps complement the Range Rover Sport's exterior styling cues.

### **Body Side Mouldings**

Protects door panels from accidental damage from adjacent vehicles. Body coloured painting ensures a premium finish.

### **Electrically Deployable Side Steps**

These smart, practical steps make it easier to get in and out of the vehicle. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The side steps are sensitive to obstructions and will not deploy in off-road or low range settings.

### **Fixed Side Steps**

Fixed side steps aid entry and exit to the vehicle and improve access to the roof.

### **Side Protection Tubes**

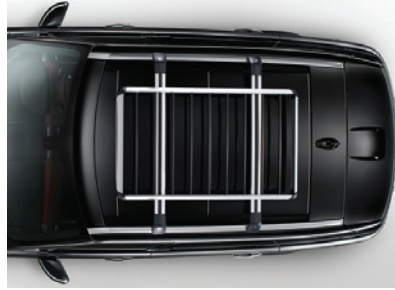

Manufactured from stainless steel, this product provides a rugged off-road appearance and complements the vehicle's exterior design.

## CARRYING & TOWING

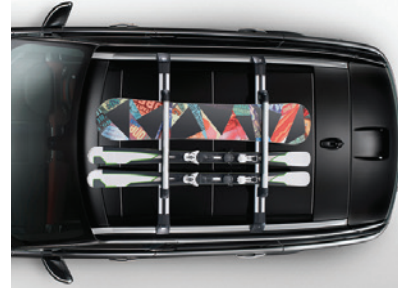

### Roof Rails and Cross Bars

Elegant aluminium roof rails in a black or silver finish. Design features pre-set positioning holes to ensure cross bars are fixed in optimum position for weight distribution and dynamics.

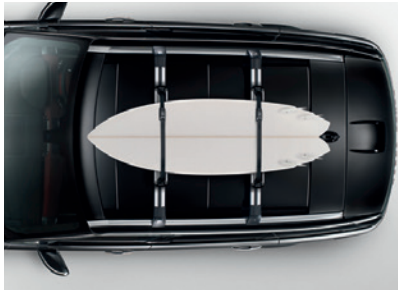

### Luggage Carrier

Flexible rack system to facilitate roof carrying. Maximum payload 75kg.

### Ski/Snowboard Holder

Carries four pairs of skis or two snowboards and is lockable for security. Incorporates slider rails for easy loading. Maximum payload 36kg.

### Aqua Sports Carrier

Carries one surfboard, sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading/unloading. Features lockable straps and rubber supports to maintain optimum weight distribution whilst protecting the kayak and vehicle from scratches and scuffs.

### Large Sports Roof Box

Power-click quick mounting system with integrated torque indicator for easy and secure fixation with a single-handed grip. The 430 litre large sports roof box opens from both sides with handles on the lid and inside the box, for convenient fitting, loading and unloading.

### Tow Bar Mounted Bike Carrier

Upper and lower tailgate can be opened with carrier in place. Features quick attach/release mechanism. Fits to either multi-height tow bar or electrically deployable tow bar. Lockable for security. Heat shield required for all bike carriers.

## CARRYING & TOWING

### Towing Mirror Extension

Premium towing mirrors with a Land Rover branded stowage bag.

### Lighting Board

Four metre cable plugs into 'N' type towing electrics socket only. The lighting board is offered for use when towing. Auxiliary lighting board comes complete with four metre extension cable and elasticated attachment straps.

### Tow Recovery Strap

Includes storage bag that can be attached as a warning flag to the strap. 3,000kg maximum load capacity.

### Towing Electrics – 13 Pin

European-style towing electrics, capable of supplying all trailer rear lighting and interior equipment power. Provided for use with deployable or multi-height tow bar.

### Electrically Deployable Tow Bar

The electrically deployable tow bar is stowed discreetly behind the bumper, providing a clean attractive finish. It is designed to deploy/stow in 12 seconds. It is sensitive to obstructions and will stow automatically if necessary. Approved for up to 3,500kg trailer load.

### Multi-Height Tow Bar

Offers three different towing height options and the ability to swap height easily. Approved for 3,500kg trailer load.

## INTERIOR

### Loadspace Liner Tray

High-edged loadspace liner tray protects loadspace from dirty/wet equipment.

### Aperture Retention Net

The aperture retention net prevents small items from falling out of the boot when the tailgate is opened. Manufactured from premium lightweight materials including high grade machined aluminium to ensure robust quality.

### Load Retention Net

Utilises loadspace tie-down points. Includes floor net and two ratchet straps. Strap length approximately two metres.

### Illuminated Rear Loadspace Tread Plate Finisher

Manufactured from stainless steel and designed for a Bright silver finish. The rear tread plate finisher protects the loadspace lip when loading/unloading and comes as an illuminated or non-illuminated option.

### Loadspace Rubber Mat

Waterproof rubber mat with retaining lip and non-slip surface. Range Rover branded rubber mat helps protect the rear loadspace carpet from general dirt.

### Luggage Divider Full Height and Loadspace Partition

Designed to protect vehicle occupants against the displacement of luggage. Following initial dealer installation the divider can be easily removed in a matter of minutes with appropriate fitting tool.

## INTERIOR

### **Illuminated/Personalised Illuminated/Door Sill Outer Tread Plates**

Enhance the interior of your vehicle with illuminated Range Rover tread plates or personalised tread plates with a 'motif' of your choice. Outer tread plates are also available featuring 'SPORT' branding.

### **Gearshift Paddles – Aluminium**

Anodised finish ensures exceptional wear resistance. Hand brushed for a premium finish in silver or red.

### **Centre Armrest Cooler/Warmer Box**

Food and drinks chiller and warmer that acts as a rear centre armrest. With a leather covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

### **Seat Back Stowage – Premium Leather**

Premium seat back stowage that attaches around the headrest and clips to the seat framework at the bottom.

### **Premium Carpet Mats**

Luxurious, tailored 2,050 gram pile front carpet mat set provides a well appointed finishing touch to the interior, with waterproof backing.

### **Sport Pedal Covers – Stainless Steel**

Pedal caps feature a Bright design and hidden fixings for a clean finish.

## WHEELS & WHEEL ACCESSORIES
