## Range Rover Sport 2007MY

### Key Points

- Product enhancement and specification changes for current powertrains at 07MY
- Start of production September 2006
- Dealer orders from June order call

I am pleased to be able to announce details of product enhancements and specification changes for Range Rover Sport at 2007MY on the current engine range.

Please note: the introduction of TDV8 on Range Rover Sport will be subject to a later Bulletin. All information on this derivative is subject to an embargo of 28 September, coincident with announcement at the Paris Motor Show.

The 2007MY changes introduced across the model range address a number of specification and interior finish issues and further improve our competitiveness when compared with other premium vehicles. Specifically, the following additional features are introduced:

- One shot passenger window
- Tailgate power latch
- Hybrid TV Option
- Power lumbar adjustment (with memory seats)
- Navigation destination entry on the move
- Additional clock in instrument pack
- 3 flash indicator (for lane change manoeuvres)
- New 19" and 18" option lightweight wheel
- Ignition off seat adjust

In addition to the introduction of these new features, there are a number of design enhancements to the interior:

- Ebony/Ivory option on premium leather
- Noble finish (as used on interior door release pulls) on; Terrain Response switch, horn bars, cubby lid hinge covers and release lever and bright finish on IP gauges.
- Front seat cushion pocket
- Colour matched finish on facia glove box latches
- 'American Walnut' replaces Cherry wood

As detailed in previous Bulletins, there are also some revisions to the derivative range as follows:

S and SE TDV6      Unchanged

SE V8 Petrol      Discontinued

HSE TDV6 and V8      Addition of:

- Dynamic response
- Brembo brakes
- PTI
- Centre console cooler box
- Power lumbar adjust
- Adaptive Cruise control (V8 only)

NB:      20" wheel and adaptive headlights will be stand-alone options on HSE

V8 Supercharged      Only available as HST specification

The attached ordering guide gives full specifications and OTR prices

Full details on all these changes will be incorporated in the TDV8 communications.
